

**Sixth Sunday in Ordinary Time**  
**February 15, 2015**

**Salesian Sunday Reflection**

Today St. Paul tells us to “do everything for the glory of God.” St. Francis de Sales elaborates on this intention:

How do we “do all things in the name of God” so as to live well? First, we must purify all our intentions as far as we can. We must make a firm purpose to use the day well for the intention of giving glory to God and not us. Anticipate what tasks, transactions and occasions for serving God you may meet today. What temptations will you be exposed to, such as anger, self-centered love, or some other irregularities? Carefully prepare yourself to avoid, resist, and overcome whatever might hinder you from authentically living Jesus.

To do all things well, first make a holy resolution to grow in the love Jesus exemplified. To prepare yourself to put this resolution into practice, ask our Savior to help you make the best use of the means available to you to grow in holy love, and serve Him. Admit that you alone can not carry out your decision to avoid evil and do the good that God desires of you. Hold your heart in your hands, and offer it with your good desires to Our Savior. Ask Him to take your heart under His protection and strengthen it so to grow in His authentic love.

To do all for the glory of God, train yourself to pray. Receive the sacraments often. As you perform the important tasks of your vocation, never forget to practice humility, gentleness, patience, and simplicity, virtues that grow like flowers at the foot of the Cross.

As you care for your family with all the diligence required, bring these souls to love God by infusing good inspirations into their hearts. Great opportunities to serve God rarely present themselves but little ones are frequent. As you carry out your responsibilities so that they give glory to God, all your activities, even eating, drinking, sleeping or recreation, will be done in the name of God, who leads you to authentic wholeness through Jesus Christ.

***Pray as Spouses for your children:*** Find a prayer that you can say as husband & wife asking the Lord to consecrate your family to him and to the Mission he has for you. Some couples compose their own prayer and pray it regularly. If a couple can pray together the witness of united prayer speaks untold volumes to the children.

***Pray with your children:*** Nighttime prayer is a natural time to teach prayer to children and to develop in them this important habit. When you pray the meal prayers, use a variety of prayers and prayer forms including spontaneous prayers for the heart. Teach them how to bring their concerns and needs to Jesus in prayer. They will learn only what you model for them.
